

Alumni

More than 30,000 people, living across our nation and throughout the world, are proud to trace their academic roots to Indiana University South Bend. Over 500 are computer science department graduates, helping build a strong society and economy based on information technology. Our alumni are joined by an active group of friends, parents, corporations, and foundations whose participation, support, and interest further the cause of higher education at IUSB.

Connect with other alumni via LinkedIn Group <https://www.linkedin.com/groups/7062704>

Alumna privileges include life time email account on our departmental server and lifetime web facilities to encourage you to maintain your virtual home at IU South Bend, and invitation to our departmental functions, academic presentations, picnics and other such activities. Below is the list of our Alumni from our degree programs.
