

Application for Establishment of World Language Proficiency for International Students who are Non-Native Speakers of English

International students whose native language is not English may fulfill the world languages requirement through demonstrated proficiency in their first language. Proficiency can be demonstrated in a number of ways. Complete and submit this form to the CLAS Student Services Office. You will receive information about your application within 14 working days. If your application is approved, a copy of this application will be posted to your student record.

Important: Proficiency demonstrated through the processes below will not result in special credit.
