

**The Department of Mathematical Sciences  
Indiana University South Bend**  
Announces

**Mr. Kevin Aboh**  
as the year 2011 Recipient  
of  
**The Dorothy Allen Memorial Mathematics Scholarship**

The Dorothy Allen Memorial Mathematics Scholarship was established to honor Dorothy Allen's life. The winner of this scholarship is selected from current international undergraduate and graduate students majoring in the Department of Mathematical Sciences at IU South Bend. More information regarding the scholarship can be found at <http://www.iusb.edu/~sbmath/dallen.shtml>. The Scholarship will be presented to Mr. Kevin Aboh at the IUSB College of Liberal Arts and Sciences Honors Day Ceremony on Thursday, May 5, 2011 at 6:30pm outdoor, east courtyard by the Grille in Administration Building.

After attending a college majoring in statistics for three years in Benin, Mr. Kevin Aboh transferred to IUSB in the spring of 2010 to pursue with a Bachelor's in Actuarial Science. He has a cumulative GPA of 3.7, and he has been on the College Dean's List since his arrival.

Kevin believes that it is important for a person to choose a goal that best suits him and to work hard toward this goal. He understands that the more you enjoy doing something, the more effort and motivation you are willing to put on it. In his application statement, he said "I always strive for excellence, wishing to make the best of my education. I decided to pursue my career toward a risk computational and analysis degrees like actuarial science, because there is nothing more that I enjoy doing than using mathematical tools and skills to solve real life problems."

Besides enjoying helping others as a math tutor in the mathematics tutoring center of the department, Kevin is also an active member of both the actuarial science club and the mathematical club. He has been the treasurer of the math club since fall 2010.
