Declaring a Minor in Spanish:

To formally declare a minor in Spanish, you will either need to fill out this [online form](#) or see the Student Services Administrative Assistant Brianna Liras in DW 3300B (located on the Bridge on Wiekamp Hall). Please be sure to have your 10-digit student ID number with you. This process is relatively quick and only takes a few minutes. When you arrive, please tell Brianna that you would like to declare a minor in Spanish and he will direct you to the appropriate form. Once you complete this process, Brianna will update your student record and send the update to the department so an academic advisor can be formally assigned to you.
